

Taylor Sewing Centre Quilt Shop

SHOP NEWS

April 2018

The last three months at the store have been very exciting! As a new business owner, it's fun to see all the orders come in with new fabrics, notions, sewing machines, batting, thread, and much more. It can be a little overwhelming too. But then, we get to see all the beautiful quilts and projects that our customers bring in to share!! We have a group of very talented quilters!

Now that spring is here (despite the resistance by Mother Nature) we are looking forward to all the quilting events planned for the season. There are lots of shop hops, quilt shows, classes, and sales going on that will provide endless options for every quilter. All of us at Taylor's are busy with cutting, sewing, and kitting to get ready for the many quilt shows in the area; please stop by and say hello if you are there too!
